RE:        Resolution of the Board of Supervisors Authorizing Durham USD to Sell Bonds Directly

Summary

The Durham Unified School District (the District) Board of Trustees is requesting that the County Board of Supervisors adopt a resolution allowing the District to issue General Obligation Bonds directly, without the involvement of the Board of Supervisors as a conduit issuer, under Education Code Section 15140(b).

In 2018, the District voters approved the issuance and sale of general obligation bonds of the District for the various purposes set forth in the ballot submitted to the voters, in an aggregate amount not to exceed $19,700,000, payable from the levy of ad valorem taxes against the taxable property in the District.

The Durham Unified School District (The District) Board of Trustees has determined the need of issuance of one or more series of its general obligation bonds (“Bonds”) under the authorization in order to finance certain costs of the project. The first series of bonds will be used to hire an Architect, develop a master plan and construct a portion of the designated projects. The next series of bonds will be issued dependent upon sufficient increased assessed valuations to support debt service. The District has developed a finance plan based on an estimated annual increase of 4% of assessed property valuations.

The Board of Supervisors of the County (the Board) has received a certified, adopted copy of the Resolution of the Board of Education of the District (The District Resolution), authorizing the issuance of bonds pursuant to the Bond Measure in an aggregate principal amount not to exceed $7,000,000 to be designated the “Durham Unified School District (Butte County, California) General Obligation Bonds Election of 2018, Series A” (the Bonds).

The Bonds will be issued as current interest bonds, with optional redemption provisions yet to be determined. This is the preferred type of bond structure from a taxpayer perspective, as it generally results in lower overall interest costs and provides the flexibility to issue refunding bonds to achieve a lower overall cost, assuming favorable market conditions, once the optional redemption date comes around. The
The proposed term for the bonds is planned to be **30 years** or less, with an estimated repayment cost of **1.944 times** the amount borrowed, including costs of issuance. The District has planned the authorized debt issuance in a manner designed to maintain fairly stable ad valorem tax rates, and has worked closely with the Auditor-Controller and the District financing team to structure the debt service, accordingly. The District will be contracting for a negotiated bond sale, which they believe to be in the best interest of the District and taxpayers, and the underwriter’s discount is capped at .9% maximum. The District has retained a Financial Advisor, who will act as a pricing agent for the sale. This function serves to provide an objective overview of market conditions and marketplace pricing at the time of issuance, thus providing further assurance that the pricing awarded the District is competitive with other similar issues.

The Resolution also authorizes the Auditor-Controller to levy ad valorem taxes in an amount sufficient to pay the principal and interest on the Bonds when due, and authorizes specified County officials to sign necessary documents to complete the transaction.

**Background**

School and Community College Districts issuing General Obligation Bonds approved by their voters can do so utilizing the Education Code, Section 15140, *et al* typically using the County Board of Supervisors as a conduit issuer. Bonds issued under this code are limited to **25 years** for repayment. The Board of Supervisors approves the debt issuance and all related documents, while the Treasurer reviews all documents for consistency and applicability, and is involved in providing oversight to pricing and debt structure. The bond proceeds are invested in the pooled Treasury and managed by the Treasurer. SB1029, passed in 2016, now requires a conduit issuer to report annually on conduit debt issued, as well as certifying that the District’s debt policy complies with new regulations and that their annual continuing disclosure requirements have been satisfied timely.

School and Community College Districts may directly issue General Obligation Bonds approved by their voters under Government Code 53506-09.5, only if the County Board of Supervisors adopts a resolution authorizing such issuance. Bonds issued under this Government Code can have terms of up to **40 years** for repayment. When schools are authorized to issue bonds directly, the County is not required to be a part of annual continuing disclosure and debt reporting under California Government Code Section 8855 (a), which is a consideration, as well.

The Treasurer generally acts as a fiduciary partner and a fiscal resource to the Butte County Office of Education and the school and community college districts to evaluate, advise and execute bond transactions, and may assist with analysis and feedback regarding appropriate financing structures that conform to a conservative debt financing approach that protects the taxpayers and citizens of the County. In this case, the District directly issues the bonds, and any involvement by the Treasurer in reviewing the documents is a courtesy as opposed to a requirement. The Bond proceeds are still invested in the pooled Treasury and managed by the Treasurer.

**Requested Action**

Adopt resolution and authorize the Chair to sign.

The Bond Purchase Agreement may provide for the purchase of Bonds in any combination of the foregoing structures and shall provide for optional, mandatory sinking fund and other types and terms of redemption for the Bonds as shall prove most advantageous in marketing said Bonds for the District.

SECTION 8. Approval of Bond Purchase Agreement. Any Authorized Officer, in consultation with Bond Counsel and such other officers of the District as shall be authorized by the Board, are hereby authorized and directed to issue and deliver the Bonds and to establish the final Principal Amount thereof; provided, however, that such combined Principal Amount (in one or more series) as of the date of delivery shall not exceed the maximum aggregate Principal Amount of Seven Million Dollars ($7,000,000). The form of the Bond Purchase Agreement attached hereto as Exhibit B is hereby approved. The Authorized Officer and such other officers of the District as may be authorized by the Board are, and each of them acting alone is, authorized and directed to execute and deliver the Bond Purchase Agreement for and in the name and on behalf of the District, with such additions, changes or corrections therein as the officer executing the same on behalf of the District may approve, in his/her discretion, as being in the best interests of the District, such approval to be conclusively evidenced by such officer's execution thereof, and any other documents required to be executed thereunder, and to deliver the same to the Underwriter. The Authorized Officers are, and each of them acting alone hereby is,
authorized and directed to negotiate with the Underwriter the interest rates on the Bonds and the purchase price of the Bonds to be paid by the Underwriter, which purchase price shall reflect an Underwriter’s discount of not to exceed nine-tenths of one percent (0.9%) (not including original issue discount or any Costs of Issuance to be paid by the Underwriter) of the Principal Amount thereof. Final terms of the Bonds shall be as set forth in the Bond Purchase Agreement.

SECTION 9. Official Statement. The Board hereby approves the form of Preliminary Official Statement relating to the Bonds, on file with the Clerk of the Board and to be used and distributed, together with an Official Statement in connection with the sale of the Bonds, in each case with such changes as are approved by an Authorized Officer. An Authorized Officer and such other officers of the District as may be authorized by the Board are, and each of them acting alone hereby is, authorized and directed to deliver to the Underwriter copies of the Preliminary Official Statement and the Official Statement with such changes therein as such officer shall approve, in his or her discretion, as being in the best interests of the District. Upon approval of such changes by such officer, the Preliminary Official Statement shall be “deemed final” as of its date except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (the “Rule”) and an Authorized Officer is authorized to execute a certificate to that effect. Any Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds, and such Underwriter is hereby directed to deliver copies of the final Official Statement to the purchasers of the Bonds.

SECTION 10. Authorization of Officers. The members of the Board, the Authorized Officers, each other officer of the District and their respective delegees are, and each of them acting alone is, hereby authorized to execute any and all documents and do and perform any and all acts and things, from time to time, consistent with this Resolution and necessary or appropriate to carry the same into effect and to carry out its purpose.

SECTION 11. Use of Bond Proceeds. Bonds of the District shall be issued in the name of the District in an aggregate Principal Amount not to exceed the amount set forth in Section 8 hereof, and proceeds of the Bonds shall be applied to finance the construction, acquisition, furnishing and equipping of District property and facilities, as authorized at the Election by the Measure, which shall be incorporated herein by this reference as though fully set forth in this Resolution.

SECTION 12. Designation and Form; Payment.

(a) An issue of Bonds entitled to the benefit, protection and security of this Resolution is hereby authorized in an aggregate Principal Amount not to exceed the amount set forth in Section 8 hereof. Such Bonds shall be general obligations of the District, payable as to Principal, premium, if any, and interest from ad valorem taxes to be levied upon all of the taxable property in the District without limitation as to rate or amount (except certain personal property which is taxable at limited rates). The Bonds shall be designated “Durham Unified School District General Obligation Bonds (County of Butte, California), 2018 Election, 2019 Series A” with such additional series designations as may be necessary or advisable in order to market the Bonds, as set forth in the Bond Purchase Agreement. The Bonds shall be subject to redemption as further set forth in the Bond Purchase Agreement, pursuant to this Resolution.
(b) The form of the Bonds shall be substantially in conformity with the standard form of registered school district bonds, a copy of which is attached hereto as Exhibit A and incorporated herein by this reference.

(c) Principal, premium, if any, and interest with respect to any Bond are payable in lawful money of the United States of America. Principal and premium, if any, is payable upon surrender thereof at maturity or earlier redemption at the office designated by the Paying Agent.

SECTION 13. Description of Bonds.

(a) The Bonds shall be issued in fully registered form, without coupons, in denominations of $5,000 or any integral multiple thereof. The Bonds shall be dated and shall mature on the dates, in the years and in the Principal Amounts, and interest shall be computed at the rates, set forth in the Bond Purchase Agreement.

(b) Interest on each Bond shall accrue from its dated date as set forth in the Bond Purchase Agreement. Interest on Bonds shall be computed using a year of 360 days comprised of twelve 30-day months and shall be payable on each Interest Payment Date to the Owner thereof as of the close of business on the Record Date. Interest with respect to each Bond will be payable from the Interest Payment Date next preceding the date of registration thereof, unless (i) it is registered after the close of business on any Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest with respect thereto shall be payable from such following Interest Payment Date; or (ii) it is registered prior to the close of business on the first Record Date, in which event interest shall be payable from its dated date; provided, however, that if at the time of registration of any Bond interest with respect thereto is in default, interest with respect thereto shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment. Payments of interest on the Bonds will be made on each Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage prepaid, to the Owner thereof on the Record Date, or by wire transfer to any Owner of $1,000,000 or more of such Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; provided, however, that payments of defaulted interest shall be payable to the person in whose name such Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than 15 days and not less than ten days prior to the date of the proposed payment of defaulted interest.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds within each series. Upon initial issuance, the ownership of each such Bond certificate shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond certificate shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND
ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

With respect to Bonds registered in the Bond Register in the name of the Nominee, the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any redemption notice, (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, Beneficial Owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on, the Bonds. The District may treat and consider the person in whose name each Bond is registered in the Bond Register as the absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on, the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on, the Bonds only to the respective Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on, the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word “Nominee” in this Resolution shall refer to such new nominee of the Depository.

(b) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by an Authorized Officer within 90 days after the District receives notice or becomes aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall issue new bonds representing the Bonds as provided below. In addition, the District may determine at any time that the Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event, the District shall execute and deliver certificates representing the Bonds as provided below. Certificated securities issued in exchange for book-entry securities pursuant to this subsection shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The District shall then deliver certificated securities representing the new bonds to the persons in whose names such Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared a new fully-registered book-
entry security for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

(c) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on, such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter of representation from the District to the Depository or as otherwise instructed by the Depository.

(d) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

SECTION 15. Execution of the Bonds.

(a) The Bonds shall be executed in the name of the District by the manual or facsimile signature of the President of the Board and the manual or facsimile signature of the Secretary to the Board or by a deputy of either of such officers. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been issued by the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed and sealed by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the District, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 16. Transfer and Exchange. The transfer of any Bond may be registered upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute Owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to the contrary.
Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 17. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount, series and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 18. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books.

SECTION 19. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the general fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first class mail, postage prepaid, after a date in said notice, which date shall not be less
than 90 days prior to the date of such payment, to the effect that said money has not been claimed and that after a date named therein, any unclaimed balance of said money then remaining will be transferred to the general fund of the District. Thereafter, the Owners of such Bonds shall look only to the general fund of the District for payment of such Bonds.

SECTION 20. Application of Proceeds. Upon the sale of the Bonds, the District intends to deposit or cause to be deposited the net proceeds of the Bonds, up to the Principal Amount thereof, into the Building Fund (the "Building Fund") which is hereby established for the account of the District and shall be administered by the County. Money in the Building Fund shall be disbursed for the payment of the costs of acquiring and constructing the Project, including costs of issuance. At such time that no amounts remain on deposit in Building Fund, the County may close the Building Fund.

SECTION 21. Payment and Security for the Bonds. The Board of Supervisors of the County shall annually at the time of making the levy of taxes for County purposes, levy a continuing direct ad valorem tax for each Fiscal Year upon the taxable property in the District without limitation as to rate or amount (except for certain personal property which is taxable at limited rates) in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on each Bond as each becomes due and payable. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The District hereby pledges as security for the Bonds, all revenues from the property taxes collected from the aforementioned levy and the amounts on deposit in the District’s Debt Service Fund, including the interest earnings thereon (the “Pledged Moneys”). The foregoing pledge is an agreement between the District and the owners of the Bonds to provide security for the Bonds in addition to any statutory lien that may exist. The County shall deposit or cause to be deposited in the District’s Debt Service Fund, the proceeds from the levy of the aforementioned tax that the County receives and all interest earnings thereon. The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Bonds when and as the same shall become due and payable. The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds or the interest thereon. Other than the Pledged Moneys, no funds or accounts of the District are pledged to payment of the Bonds.

The Bonds shall, pursuant to Government Code Section 53515, be secured by a statutory lien on all revenues received pursuant to the levy and collection of ad valorem taxes for the payment of the Bonds.

SECTION 22. Debt Service Fund.

(a) The District shall deposit or cause to be deposited any accrued interest and any original issue premium received by the District from the sale of the Bonds in the fund established and designated as the “Durham Unified School District, General Obligation Bonds, 2018 Election, 2019 Series A Debt Service Fund” (the "Debt Service Fund") to be administered by the County of Butte and used only for the payment of the Principal of, premium, if any, and interest on the Bonds.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.
(c) The County shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the “Debt Service”) on such Interest Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) The District shall cause moneys to be transferred to the Excess Earnings Fund to the extent needed to comply with the Tax Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the general fund of the District.

SECTION 23. Establishment and Application of Excess Earnings Fund. The District shall establish a special fund designated “Durham Unified School District General Obligation Bonds, 2018 Election, 2019 Series A, Excess Earnings Fund” (the “Excess Earnings Fund”) which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall deposit, or cause to be deposited, moneys to the Excess Earnings Fund in accordance with the provisions of the Tax Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Tax Certificate.

SECTION 24. Payment of Costs of Issuance. The District may pay, or cause to be paid, Costs of Issuance using proceeds of the Bonds or, to the extent available, original issue premium derived from the sale of the Bonds and applied for that purpose as provided in the Bond Purchase Agreement.

SECTION 25. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the County Office of Education and the County may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 26. Redemption. The Bonds shall be subject to redemption as provided in the Bond Purchase Agreement.

SECTION 27. Selection of Bonds for Redemption. Whenever provision is made in this Resolution or in the Bond Purchase Agreement for the optional redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 45 days prior to the date designated for such redemption, shall select Bonds for redemption in such order as the District may direct, or, in the absence of such direction, in inverse order of maturity within a series. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Bond to be redeemed in part shall be in the Principal Amount of $5,000 or any integral multiple thereof.

SECTION 28. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Bond Purchase Agreement, the Paying Agent, upon written instruction from the District given at least forty-five (45) days prior to the date designated for such redemption, shall give notice (a “Redemption Notice”) of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where
the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part, and (h) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date, and that from and after such date interest with respect thereto shall cease to accrue or accrete and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least twenty (20) days but not more than sixty (60) days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register. Notice of redemption may be given on a conditional basis in contemplation of a refunding of the Bonds.

(b) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of the notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, or (ii) overnight delivery service, to the Municipal Securities Rulemaking Board.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by series and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the Debt Service Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the Principal of, interest, and any premium due on the Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.
SECTION 29. **Partial Redemption of Bonds.** Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

SECTION 30. **Effect of Notice of Redemption.** Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside for the payment of their redemption price, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided above, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions hereof shall be cancelled upon surrender thereof and delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

SECTION 31. **Paying Agent, Appointment and Acceptance of Duties.**

(a) The Board hereby consents to and confirms the appointment of The Bank of New York Mellon Trust Company, N.A. to act as Paying Agent for the Bonds under this Resolution. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The Paying Agent shall have a corporate trust office in San Francisco or Los Angeles, California.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

SECTION 32. **Liability of Paying Agent.** The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 33. **Evidence on Which Paying Agent May Act.** The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.
SECTION 34. **Compensation.** The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution. In no event shall the Paying Agent be required to expend its own funds hereunder.

The fees and expenses of the Paying Agent not paid from the proceeds of the sale of the Bonds shall be paid each year from the Debt Service Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 35. **Ownership of Bonds Permitted.** The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 36. **Resignation or Removal of Paying Agent and Appointment of Successor.**

(a) The Paying Agent initially appointed hereunder may resign from service as Paying Agent and any Authorized Officer may remove such Paying Agent or any subsequent Paying Agent as provided in the respective Paying Agent’s service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, an Authorized Officer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in San Francisco or Los Angeles, California, with at least $50,000,000 in net assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor.

(c) In the event of the merger, acquisition or consolidation of the Paying Agent, the Paying Agent shall pay over, assign and deliver any moneys held by it to its successor who shall assume the responsibilities of Paying Agent hereunder unless the successor shall be removed by the District in which case all funds shall be paid at the direction of an Authorized Officer.

SECTION 37. **Investment of Certain Funds.** Moneys held in all funds and accounts established hereunder shall be invested and reinvested by the Treasurer in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the Excess Earnings Fund, the Debt Service Fund and the Building Fund shall remain on deposit in such funds.

The proceeds from the sale of the Bonds (net of premium, if any) will be deposited in the County treasury to the credit of the Building Fund. Any premium or accrued interest
received by the District from the sale of the Bonds will be deposited in the Debt Service Fund. Earnings on the investment of moneys in either fund will be retained in that fund and used only for the purposes to which that fund may lawfully be applied. Moneys in the Building Fund may only be applied for the purposes for which the Bonds were approved. Moneys in the Debt Service Fund may only be applied to make payments of interest, principal and premium, if any, on bonds of the District.

All funds held in the Building Fund and the Debt Service Fund will be invested by the Treasurer. All funds held in the Building Fund by the Treasurer under this Resolution will be invested pursuant to applicable law and the investment policies of the County. All moneys held in any funds or accounts established with the County under this Resolution will be invested in Authorized Investments in accordance with the investment policies of the County, as such policies exist at the time of investment. Obligations purchased as an investment of moneys in any fund or account will be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts established under this Resolution will be deposited in the fund or account from which such investment was made, and will be expended for the purposes thereof.

In accordance with Government Code Sections 53600 et seq., the Treasurer manages funds deposited with it by the District. The County is required to invest such funds in accordance with California Government Code Sections 53601 et seq. Counties are required to establish their own investment policies which may impose limitations beyond those required by the Government Code.

The District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing gross proceeds of the Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Resolution or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued at their present value (within the meaning of section 148 of the Code).

SECTION 38. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account.

SECTION 39. Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the District with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that if a Bond Insurance Policy is in effect, and provided that the Bond Insurer, if any, complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification thereof or hereof. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such
consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 40. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the County or the District in this Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution;

(e) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds; or

(f) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

SECTION 41. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent of either from taking any action pursuant thereto.

SECTION 42. Defeasance. If Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

(a) by well and truly paying or causing to be paid the Principal of and interest on all Bonds Outstanding, as and when the same become due and payable;

(b) by depositing with the Paying Agent or other fiduciary, in trust, at or before maturity, cash which, together with the amounts then on deposit in the Debt Service Fund plus the interest to accrue thereon without the need for further investment, is fully sufficient to pay Bonds Outstanding and designated for defeasance on their redemption date or at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or
(c) by depositing with an institution to act as escrow agent selected by the District and which meets the requirements of serving as Paying Agent pursuant to this Resolution, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series Obligations) or obligations which are unconditionally guaranteed by the United States of America and described under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon, be fully sufficient, in the opinion of a verification agent satisfactory to the District, to pay and discharge Bonds Outstanding and designated for defeasance on their redemption date or at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the District and the Paying Agent under this Resolution with respect to such Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of such Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent hereunder.

SECTION 43. Tax Covenants. The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Bonds, or of any of the property financed or refinanced with the proceeds of the Bonds, or other funds of the District, or take or omit to take any action that would cause the Bonds to be deemed “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”). To that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent that such requirements are in effect and applicable to the Bonds.

The District further covenants and agrees to comply with the requirements of the Tax Certificate to be executed and delivered in connection with the delivery of the Bonds to the original purchasers thereof.

SECTION 44. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if an Authorized Officer, in consultation with the Underwriter and the Financial Advisor, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

SECTION 45. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the terms of the Continuing Disclosure Agreement in substantially the form attached as an appendix to the Preliminary Official Statement, which is hereby approved. The Authorized Officers are each hereby authorized and directed to execute and deliver the Continuing Disclosure Agreement with such changes, insertions, and omissions as the Authorized Officer executing the same may require or approve, such determination or approval to be conclusively evidenced by the execution of the Continuing Disclosure Agreement by such Authorized Officer. Any Underwriter, any Owner or any Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section and the Continuing Disclosure Agreement.

SECTION 46. Further Assurances. The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably
necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Resolution.

SECTION 47. **Request to County.** The District hereby requests the Board of Supervisors of the County to adopt a resolution pursuant to California Education Code Section 15140(b) to authorize the District to issue the Bonds on its own behalf and confirms that the District has not received a qualified or negative certification in its most recent interim report.

SECTION 48. **Resolution to Treasurer-Tax Collector.** The Clerk of the Board is hereby directed to provide a certified copy of this Resolution to the Treasurer immediately following its adoption and the debt service schedule for the Bonds in accordance with California Education Code section 15140(c).

SECTION 49. **Nonliability of County.** Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby. The Bonds are not a debt of the County or a pledge of the County’s full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from the ad valorem taxes lawfully levied to pay the Principal of or interest on the Bonds.

SECTION 50. **Indemnification of County.** The District shall indemnify the County, its officers, agents and employees against any and all losses, claims, actions, suits, judgments, demands, damages, liabilities and expenses (including attorney fees and costs of investigation) of any nature arising out of any action or inaction of the District with respect to the issuance of the Bonds.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

The Durham Unified School District (the “District”) of the County of Butte, State of California, for value received, hereby acknowledges itself indebted and promises to pay to the Registered Owner set forth above the Principal Amount set forth above, on the Maturity Date set forth above, together with interest thereon from the dated date set forth above until the Principal Amount hereof shall have been paid or provided for, in accordance with the Resolution hereinafter referred to, at the interest rate set forth above. Interest on this Bond is payable on ____ 1, 2019, and semiannually thereafter on the first day of February and August (each, an “Interest Payment Date”) in each year to the registered owner hereof from the Interest Payment Date next preceding the date on which this Bond is registered (unless it is registered after the close of business on the fifteenth calendar day of the month preceding any Interest Payment Date (a “Record Date”) and before the close of business on the immediately following Interest Payment Date, in which event it shall bear interest from such following Interest Payment Date, or unless this Bond is registered prior to the close of business on ____ 15, 2019, in which event it shall bear interest from its date; provided, however, that if at the time of registration of this Bond interest with respect hereto is in default, interest with respect hereto shall be payable from the Interest Payment Date to
which interest has previously been paid or made available for payment). The Principal Amount hereof is payable at the office of The Bank of New York Mellon Trust Company, N.A., as paying agent (the “Paying Agent”), in Dallas, Texas. The interest hereon is payable by check or draft mailed by first class mail to each registered owner, at his address as it appears on the registration books kept by the Paying Agent as of the Record Date.

The Bonds of this issue are comprised of $___________ Principal Amount of Bonds. This Bond is issued by the District under and in accordance with the provisions of (i) Section 53506 et seq. of the California Government Code (the “Act”) and (ii) Article XIIIa of the California Constitution, and pursuant to a resolution adopted by the Board of Trustees of the District on February 20, 2019 (the “Resolution”). Reference is hereby made to the Resolution, a copy of which is on file at the office of the District, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of 55% or more of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to both Principal and interest from ad valorem taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Principal of this Bond, or any part thereof, nor any interest or premium hereon constitute a debt, liability or obligation of the County. The Bonds shall, pursuant to Government Code Section 53515, be secured by a statutory lien on all revenues received pursuant to the levy and collection of ad valorem taxes for the payment of the Bonds.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange therefor. The District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Bonds maturing on or before August 1, 20__ shall not be subject to redemption prior to their maturity dates. The Bonds maturing on or before August 1, 20__ may be redeemed prior to their respective stated maturity dates, at the option of the District, from any source of available funds, on August 1, 20__ or on any date thereafter as a whole, or in part, at the principal amount thereof, together with interest accrued thereon to the date of redemption, without premium.
The Bonds maturing on August 1, 20__, are subject to mandatory sinking fund redemption, in part by lot, on August 1 in each of the years and in the principal amounts set forth in the following schedule, at a redemption price of par, plus accrued interest to the date fixed for redemption:

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; (5) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds or (6) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Principal Amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.
IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Education Code of the State and that all of the proceedings of the Board of Trustees of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by law.

IN WITNESS WHEREOF, Durham Unified School District has caused this Bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signature of the President of the Board of Trustees of the Durham Unified School District, and to be countersigned by the manual or facsimile signature of the Secretary of the Board of Trustees of the Durham Unified School District.

BOND PURCHASE AGREEMENT

________, 2019

Board of Trustees
Durham Unified School District
9420 Putney Drive
Durham, California 95938

Ladies and Gentlemen:

The undersigned, [UNDERWRITER], as underwriter (the “Underwriter”), acting on its own behalf and not as the District’s (as defined herein) fiduciary or agent, offers to enter into this Bond Purchase Agreement (the "Purchase Agreement") with the Durham Unified School District (the “District”), which, upon the District’s acceptance hereof, will be binding upon the District and the Underwriter. This offer is made subject to the written acceptance of this Purchase Agreement by the District and delivery of such acceptance to the Underwriter at or prior to 11:59 p.m., California time, on the date hereof, and if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the District.

Section 1. Purchase and Sale of the Bonds. Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the District for reoffering to the public, and the District hereby agrees to sell to the Underwriter for such purpose, all (but not less than all) of $___________ aggregate principal amount of the District’s General Obligation Bonds (County of Butte, California), 2018 Election, 2019 Series A (the “Bonds”). The Underwriter shall purchase the Bonds at a price of $___________ (which is equal to the aggregate principal amount of the Bonds of $___________, plus [net] original issue premium of $___________ and less an Underwriter’s discount of $___________). At the request and on behalf of the District, the Underwriter will transfer $____________ from the purchase price to The Bank of New York Mellon Trust Company, N.A. for payment of costs of issuance on the Closing Date (as defined herein).

The District acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Purchase Contract is an arm’s-length commercial transaction between the District and the Underwriter, (ii) in connection with such transaction, the Underwriter is acting solely as a principal and not as an agent, fiduciary of or financial advisor to the District, (iii) the Underwriter has not assumed a financial advisory or a fiduciary responsibility in favor of the District with respect to (A) the offering of the Bonds or the process leading thereto (whether or not the Underwriter has advised or is currently advising the District on other matters) or (B) any other obligation to the District except the obligations expressly set forth in this Purchase Contract and (iv) the District has consulted
with its own legal and other professional advisors to the extent it deemed appropriate in connection with the offering of the Bonds.

The District acknowledges that it has previously provided the Underwriter with an acknowledgement of receipt of the required Underwriter’s disclosure under Rule G-17 of the Municipal Securities Rulemaking Board (“MSRB”).

**Section 2. The Bonds.** The Bonds shall be dated their date of delivery (the “Date of Delivery”) and shall be payable as to interest on each February 1 and August 1, commencing February 1, 2020. The Bonds shall bear interest at the rates, shall mature on the dates and in the years, and shall be subject to redemption, as shown on Appendix A hereto which is incorporated herein by reference, and shall otherwise be as described in the Official Statement (defined herein), and shall be issued and secured pursuant to the provisions of the Resolution of the District adopted on May 15, 2019 (the “Resolution”) and Title 5, Division 2, Part 1, Chapter 3, Article 4.5 of the Government Code of the State of California and other applicable law (the “Act”). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Official Statement or, if not defined in the Official Statement, in the Resolution.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement and the Resolution. The Bonds shall be in book-entry form, shall bear CUSIP numbers, and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”). The Bonds shall initially be in authorized denominations of $5,000 principal amount or any integral multiple thereof.

The proceeds of the Bonds will be applied by the District to finance certain capital improvements for the District as specified in the District bond propositions submitted at the November 6, 2018 Election (the “Election”).

The Bank of New York Mellon Trust Company, N.A. (the “Paying Agent”) shall serve as the initial authenticating agent, bond registrar, transfer agent, and paying agent for the Bonds pursuant to a Paying Agent/Bond Registrar/Costs of Issuance Agreement with respect to the Bonds (the “Paying Agent Agreement”), entered into by and between the District and the Paying Agent.

**Section 3. Use of Documents.** The District hereby authorizes the Underwriter to use, in connection with the offer and sale of the Bonds, this Purchase Agreement, the Continuing Disclosure Agreement (defined herein), the Preliminary Official Statement (defined below) and the Official Statement, the Resolution, the Paying Agent Agreement and all information contained herein and therein and all of the documents, certificates or statements furnished by the District to the Underwriter in connection with the transactions contemplated by this Purchase Agreement, except as such other documents shall otherwise provide. The Resolution, Purchase Agreement, Paying Agent Agreement, Continuing Disclosure Agreement and Official Statement are collectively referred to as the “Legal Documents.” The District does not object to distribution of the Official Statement in electronic form.

**Section 4. Public Offering of the Bonds.** The Underwriter agrees to make a bona fide public offering of all the Bonds at the initial public offering prices or yields to be set forth on the inside cover page of the Official Statement and as set forth in Appendix A hereto. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering prices or yields as it deems necessary in connection with
the marketing of the Bonds; provided that the Underwriter shall not change the interest
rates on the Bonds set forth in Appendix A. The Bonds may be offered and sold to certain
dealers at prices lower than such initial public offering prices. The Underwriter reserves the
right to: (i) over-allot or effect transactions which stabilize or maintain the market price of
the Bonds at levels above those that might otherwise prevail in the open market; and
(ii) discontinue such stabilizing, if commenced, at any time without prior notice.

Section 5. Establishment of Issue Price.

(a) The Underwriter agrees to assist the District in establishing the issue price of
the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar
certificate, together with the supporting pricing wires or equivalent communications,
substantially in the form attached hereto as Appendix B, with such modifications as may be
appropriate or necessary, in the reasonable judgment of the Underwriter, the District and
Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial
offering price or prices to the public of the Bonds. As applicable, all actions to be taken by
the District under this section to establish the issue price of the Bonds may be taken on
behalf of the District by Isom Advisors, a Division of Urban Futures, Inc., as the District’s
municipal advisor (“Municipal Advisor”), and any notice or report to be provided to the
District may be provided to the Municipal Advisor

(b) Except as otherwise set forth in Appendix A attached hereto, the District will
treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to
the public as the issue price of that maturity. At or promptly after the execution of this
Bond Purchase Agreement, the Underwriter shall report to the District the price or prices at
which it has sold to the public each maturity of Bonds. If at that time the 10% test has not
been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to
the District the prices at which it sells the unsold Bonds of that maturity to the public. That
reporting obligation shall continue, whether or not the Closing Date has occurred, until
either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been
satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting
obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon
request of the District or Bond Counsel. For purposes of this Section, if Bonds mature on
the same date but have different interest rates, each separate CUSIP number within that
maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter confirms that it has offered the Bonds to the public on or
before the date of this Bond Purchase Agreement at the offering price or prices (the “initial
offering price”), or at the corresponding yield or yields, set forth in Appendix A attached
hereto, except as otherwise set forth therein. Appendix A also sets forth, as of the date of
this Bond Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test
has not been satisfied and for which the District and the Underwriter agree that the
restrictions set forth in the next sentence shall apply, which will allow the District to treat
the initial offering price to the public of each such maturity as of the sale date as the issue
price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-
price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer
nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial
offering price to the public during the period starting on the sale date and ending on the
earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or
(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-
offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Purchase Agreement by all parties.

Section 6. Review of Official Statement. The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated May __, 2019 (the “Preliminary Official Statement”). The District represents that it has deemed the Preliminary Official Statement to be final, except for either revision or addition of the offering price(s), interest rate(s), yield(s), selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s),
redemption provisions and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Rule"), and consents to and ratifies the use and distribution by the Underwriter of the Preliminary Official Statement in connection with the public offering of the Bonds by the Underwriter.

The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first-class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

The Underwriter hereby represents that it will provide, consistent with the requirements of MSRB Rule G-32, for the delivery of a copy of the Official Statement to each customer who purchases any Bonds during the underwriting period (as such term is defined in MSRB Rule G-11), and deliver a copy of the Official Statement to the MSRB in electronic format as prescribed by the MSRB on or before the Closing Date, and that it will otherwise comply with all applicable statues and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and G-36 and the Rule.

Section 7. Closing. At 8:00 a.m., California time, on June ____, 2019 or at such other time or on such other date as shall have been mutually agreed upon by the District and the Underwriter (the "Closing" or the "Closing Date"), the District will deliver to the Underwriter, through the facilities of DTC utilizing DTC’s FAST delivery system, or as the District and the Underwriter may otherwise mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and at the offices of Dannis Woliver Kelley ("Bond Counsel"), in Long Beach, California, the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to or upon the order of the District.

Section 8. Representations, Warranties and Agreements of the District. The District hereby represents, warrants and agrees with the Underwriter that:

(a) Due Organization. The District is a unified school district duly organized and validly existing under the laws of the State of California (the "State"), with full legal power to issue the Bonds pursuant to the Act.

(b) Due Authorization. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to enter into the Legal Documents, to adopt the Resolution, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by the Legal Documents; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds and the Legal Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Agreement constitutes a valid and legally binding obligation of the District; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Agreement.

(d) **Internal Revenue Code.** The District has complied with the Internal Revenue Code of 1986, as amended, with respect to the Bonds, and the District shall not knowingly take or omit to take any action that, under existing law, may adversely affect the exclusion from gross income for federal income tax purposes, or the exemption from any applicable State tax, of the interest on the Bonds.

(e) **No Conflicts.** To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the Legal Documents and the Bonds, and the compliance with the provisions hereof and thereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(f) **Litigation.** As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending or, to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or of the titles of the officials of the District to such offices; or (ii) seeking to prohibit, restrain or enjoin the sale, issuance or delivery of any of the Bonds, or the application of the proceeds of the sale of the Bonds, or the collection or levy of taxes contemplated by the Resolution and available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds or the Legal Documents or contesting the powers of the District or its authority with respect to the Bonds or the Legal Documents or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement; or (iii) in which a final adverse decision could (A) materially adversely affect the operations of the District or the consummation of the transactions contemplated by the Legal Documents, (B) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (C) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(g) **No Other Debt.** Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District directly, nor any other governmental agency or other body on behalf of the District will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement or otherwise consented to in writing by the Underwriter.
(h) **Certificates.** Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

(i) **Continuing Disclosure.** At or prior to the Closing, the District shall have duly authorized, executed and delivered a Continuing Disclosure Agreement (the "Continuing Disclosure Agreement"). (j) **Official Statement Accurate and Complete.** The Preliminary Official Statement, as of its date and at the date hereof, did not and does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the date hereof and on the date of Closing (the "Closing Date"), the Official Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Official Statement is supplemented or amended pursuant to paragraph (g) of Section 10 of this Purchase Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the Closing Date, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

(k) **Financial Statements of District.** The financial statements of the District contained in the Preliminary Official Statement and final Official Statement fairly present the financial position and results of operations of the District as of the dates and for the periods therein set forth, and, since the date thereof, there has been no material adverse change in the financial position or results of operations of the District.

(l) **Levy of Tax.** The District hereby agrees to take any and all actions as may be required by Butte County (the "County") or otherwise necessary in order to arrange for the levy and collection of taxes and payment of the Bonds.

**Section 9. Representations and Agreements of the Underwriter.** The Underwriter represents to and agrees with the District that, as of the date hereof and as of the Closing Date, which representations and warranties shall survive the Closing:

(b) The Underwriter is in compliance with MSRB Rule G-37 with respect to the District, and is not prohibited thereby from acting as Underwriter with respect to securities of the District.
(c) The Underwriter has not paid or agreed to pay, nor will it pay or agree to pay, any entity, company, firm, or person (including, but not limited to any officer, agent or employee of the District), other than a bona fide officer, agent or employee working for the Underwriter, any compensation, fee, gift or other consideration contingent upon or resulting from the award of or entering into this Purchase Agreement;

(d) The Underwriter has, and has had, no financial advisory relationship with the District with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

(e) The Underwriter represents that it is licensed by and registered with the Financial Industry Regulatory Authority as a broker-dealer and the MSRB as a municipal securities dealer.

(f) The Underwriter has reasonably determined that the District’s undertaking to provide continuing disclosure with respect to the Bonds pursuant to Section 11(e)(viii) hereof is sufficient to effect compliance with the Rule.

Section 10. Covenants of the District. The District covenants and agrees with the Underwriter that:

(a) Securities Laws. The District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request, at the Underwriter’s cost and expense, in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations or such states and jurisdictions; provided, however, that the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

(b) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes specified in the Resolution.

(c) Official Statement. The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh business day following the date this Purchase Agreement is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being herein called the “Official Statement”) in such quantities as may be requested by the Underwriter, in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the MSRB. The District hereby authorizes the Underwriter to use and distribute the Official Statement in connection with the offering and sale of the Bonds.

(d) Subsequent Events. The District hereby agrees to notify the Underwriter of any event or occurrence that may affect in any material respect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is 30 days following the Closing.
(e) **Filings.** The District authorizes the Underwriter to file, to the extent required by the applicable rules promulgated by the Securities and Exchange Commission or the MSRB, and the Underwriter agrees to file or cause to be filed, the Official Statement with (i) the MSRB or its designee (including the MSRB’s Electronic Municipal Market Access system); or (ii) other repositories approved from time to time by the Securities and Exchange Commission (either in addition to or in lieu of the filing referred to above). If an amended Official Statement is prepared in accordance with Section 10(g) of this Purchase Agreement during the “Primary Offering Disclosure Period” (as defined below), and if required by an applicable Securities and Exchange Commission Rule or MSRB rule, the Underwriter shall also make the required filings of the amended Official Statement. The “Primary Offering Disclosure Period” is used as defined in MSRB Rule G-32 and shall end on the twenty-fifth day after the Closing Date.

(f) **References.** References herein to the Preliminary Official Statement and the final Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

(g) **Amendments to the Official Statement.** During the period ending on the twenty-fifth day after the End of the Underwriting Period (or such other period as may be agreed to by the District and the Underwriter), the District (i) shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter, provided that the Underwriter may not unreasonably withhold such approval and that the Underwriter may not object to such amendments or supplements if they result in a correction of the Official Statement; and (ii) shall notify the Underwriter promptly if any event shall occur, or information comes to the attention of the District, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the opinion of the Underwriter, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriter, at the District’s expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Underwriter, as the Underwriter may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Agreement, the “End of the Underwriting Period” is used as defined in the Rule and shall occur on the later of (A) the Closing Date; or (B) when the Underwriter no longer retains an unsold balance of the Bonds; unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District and the Underwriter, the District may assume that the End of the Underwriting Period is the Closing Date.

**Section 11. CERTIFICATE OF THE UNDERWRITER

This certificate is being delivered by ________ (the “Underwriter”) in connection with the issuance of the $________ Durham Unified School District, General Obligation Bonds (County of Butte, California), 2018 Election, 2019 Series A (the “Bonds”). The Underwriter hereby makes the representations, and provides the certifications, contained in this certificate based on the information available to it concerning the Bonds to the Durham Unified School District (“District”) and Dannis Woliver Kelley Bond Counsel to the District (“Bond Counsel”), as follows:

1. **Bond Purchase Agreement.** On ________, 2019 (the “Sale Date”), the Underwriter and the District executed a Bond Purchase Agreement (the “Purchase Agreement”) in connection with the sale of the Bonds. The Underwriter has not modified the Purchase Agreement since its execution on the Sale Date.

2. **Price.**

   (a) **Sale of the General Rule Maturities.** As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective prices shown on Schedule A hereto.

   (b) **Initial Offering Price of the Hold-the-Offering-Price Maturities.**

      (i) The Underwriter offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. If any Hold-the-Offering-Price Maturities are identified in Schedule A, a copy of the pricing wire or equivalent communication for the Bonds will be attached to this certificate as Schedule B.

      (ii) As set forth in the Bond Purchase Agreement dated ________, 2019, by and between the District and the Underwriter, the Underwriter has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the
agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

3. **Certain Defined Terms.**

   (a) Capitalized terms used in this certificate, unless otherwise defined herein or in the resolution of the Board of Trustees of the District adopted on ________, 2019 (“District Resolution”), shall have the meaning(s) given to such terms in the Tax Bond provided in connection with the execution and delivery of the Bonds.

   (b) “General Rule Maturities” means those Maturities of the Bonds listed in Schedule A hereto as the “General Rule Maturities.”

   (c) “Hold-the-Offering-Price Maturities” means those Maturities of the Bonds listed in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”

   (d) “Holding Period” means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

   (e) “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

   (f) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

   (g) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).
