RESOLUTION AUTHORIZING TRANSFER OF REALIGNMENT REVENUE
IN FISCAL YEAR 2019-20

WHEREAS, the State Legislature enacted Assembly Bill 1491 in fiscal year 1991-92 to give counties a source of funding to provide public health, mental health, and social services programs for which responsibility was transferred to counties through the realignment of programs; and

WHEREAS, realignment provided flexibility to counties to address local conditions within Section 17600.20(a) of California Welfare and Institutions Code which states: “Any county or city or city and county may reallocate money among accounts in the local health and welfare fund, not to exceed 10% of the amount deposited in the account from which the funds are reallocated for that fiscal year”; and

WHEREAS, revenues to support public assistance programs require a transfer of ten percent of revenue to be received in fiscal year 2019-20, estimated at $836,858, from Public Health Realignment to the Social Services Fund, which is within the statutory transfer limit.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors authorize the transfer of ten percent of Public Health 1991 Realignment revenue to be received in fiscal year 2019-20 to Social Services 1991 Realignment revenue for an estimated total transfer to Social Services of $836,858 and make the finding that the transfers of realignment revenues are based on the most cost-effective use of available revenues to maximize client outcomes.
